To Whom It May Concern

It is my pleasure to write this reference for my student Ms. Y Sarvani Swapna Priya. She is currently an integrated MTech student in the department of Electronics and communication at Central University of Karnataka, Gulbarga. Ms. Swapna has completed many project at university level as well as at many other platforms. Some of her projects are IoT based smart door lock, Bench marking the schools based on education and revenue.

She has skills in Python, MATLAB, C, C++, Lab View Latex etc.

In closing, I wish to reiterate that in Ms. Swapna, we have one of the good academicians, and engineer.

In summary, I strongly recommend her internship application to your Lab, department and institution.

Sincerely,

(Dr. Apeksha Madhukar)
